## PARENTAL NOTIFICATION LETTER REGARDING CHOICE AND TRANSFER

1/8/2025

Dear Parents,

*The Alabama Accountability Act of 2015* was created to provide school choice to students attending certain designated schools. The Act also includes a provision for financial assistance through an income tax credit to a parent who transfers a student from a Priority School to another public or non-public school of the parent's choice.

Your child's school, Life Academy, has been designated a Priority School pursuant to the Act. This designation does not reflect progress that is in fact occurring at your school. Strategies are currently being implemented to ensure that your child receives the best education possible. In fact, Life Academy Charter School has seen the following achievements: ***in 2023-2024 there was a 90% pass rate in third grade compared to 2022-2023.***

As a result, we are required to notify you of your options as follows:

- **Option 1** – Your child may remain or enroll in his or her assigned school and may continue to take advantage of the programs provided by the Life Academy Charter School Board of Education.
- **Option 2** – Your child may transfer to a comparable school that is not included on the annual list of Priority Schools in the same local system that has available space and is willing to accept the student.
- **Option 3** – If your local school system has not made Option 2 available, your child may transfer to a comparable school that is not included on the annual list of Priority Schools in another local school system that has available space and is willing to accept the student.
- **Option 4** – Your child may transfer to a qualifying non-public school in Alabama that is willing to accept the student.

Parents who elect to utilize the transfer process (Options 2, 3, or 4) must complete an appropriate Student Transfer Form. The form is available by contacting Ms. Tarver at 334-315-0106.

This Student Transfer Form must be submitted to Life Academy by **March 1, 2025**, for the 2024-2025 school year.

Finally, please be aware that this letter is an important income tax document. Please retain a copy of it and the Student Transfer Form for preparation of your upcoming state income tax return. You will need to submit the Student Transfer Form with your state tax return to the Alabama Department of Revenue if you request a tax credit pursuant to Alabama Act No. 2015-434 and Alabama Act 2023-418.

If you have any questions regarding this notification, please feel free to contact Mr. Undrea Johnson or me at 334-315-0106.

Sincerely,

Dr. Danielle Streeter, Superintendent

Life Academy Charter School Board of Education
